The Offshore Apartments are located in the hub of Fort Myers Beach activities. Once you arrive you'll never need a car because everything that's fun is within a few steps – the world's safest beach, marinas, lovely shops, restaurants, fishing pier and County Park.

You'll find every convenience in your luxurious apartment – all-electric kitchen, ceramic tiled bath with tub and shower, wall to wall carpeting and the sunniest porches on the island. All apartments are completely furnished including cooking equipment, television and linens. Offshore rates, too!
